Welcome, Welcome, Welcome!

Clarence B., Barbara G.,

Thank you for choosing Rockville Terrace as your new home! We know you made the right choice as we always strive to give the best and friendliest services to our residents.

We wish you the warmest welcome and look forward to getting to know you as you get more comfortable in your new surroundings.

Happy Father's Day, Dads!

Every June, families everywhere set aside a day to honor fathers. A father is more than just a family's patriarch; he is a source of wisdom and strength for everyone in his home.

Here, at Rockville Terrace, we'll be hosting a celebration to say thank you to all our dads who've raised generations. We will have a feast fit for a king and also have a swingin' party for all of our residents, but dedicated to the dads!! The guys will have chances to win pretty cool "guy things". It will be a hoot so be sure to make it!

A Little About Jessica!

I grew up in a small town in the swamps of south Louisiana where I frequently had alligators roaming through my backyard! I lived barefooted, swam and fished in those swamp bayous and would not trade it for the world.

I decided to put myself through college at the age of 19 and joined the United States Air Force as a Chaplain Assistant. While working on my bachelor's in Psychology, I traveled the world on remote deployments overseas. 9/11 happened not too long after I enlisted and I was sent straight to Afghanistan. I was overseas on remote deployments for almost 5 years after that.

Before enlisting in the Air Force, my first job was at a nursing home. I worked part-time as an Activities Assistant where I fell in love with the elderly residents. It only took me about a week to realize this was my passion, and I've been working with seniors ever since that day!

I have lived in Winters for the past 16 years, where I have raised my two boys, Evan (16) and Braylon (11). You can usually find me hiking, snowshoeing, kayaking, or paddle boarding in desolation wilderness. I am thrilled to be a part of the Rockville Terrace team and get to know a whole new community of wonderful residents and their families.

Chef's Creation!

Every 3rd Wednesday of each month, at 2:00pm, come on down for our Chef's Creation! It's a food demonstration presented by one of our awesome chefs! Each month will feature a food from a different country and the best part is we get to sample it!

In Sympathy

Kelly C. was such a "ray of sunshine", always smiling, always positive, always happy. He had a great laugh and just being around him made me happy. To all of Kelly's family and friends, we pray for you in this time of sadness.

* * * Peanut Butter * * * * * Apple Strudel * * * (June 17th Activity)

Ingredients

- 2 cans (8oz each) Pillsbury Crescent Dough Sheets
- 1 can (21 oz) Apple Pie Filling (1/2 can for each dough sheet)
- Honey Roasted Peanut Butter
- 1 Beaten Egg
- Honey

Directions

1. Preheat oven to 375°F.

3. Spread a thin layer of peanut butter along uncut center.
4. Spoon pie filling evenly over peanut butter.
5. Wrap each slice up and over the filling, overlapping to make a braid. Pinch the ends shut.
6. Brush the outside with egg. Place parchment sheet with the strudel on a cookie sheet.
7. Bake for 15-20 minutes or until golden brown and cooked through.
8. Once cool, drizzle honey and enjoy!

Recipe makes two strudels to ensure everyone gets a taste.

Have You "Heard It Through the Grapevine"? We Have A New Resident!

Please join us in welcoming Lala W. to the Rockville Terrace Family. She has been with us for some time already and has quickly made her personality known! Miss Lala is rather vocal about what she likes and does not like. She is no meek mouse! We have discovered so far that Motown gets her toes tapping and Shaka Hawaiian Tea gets her taste buds tingling. We all look forward to getting to know more about Miss Lala.

Though You Held My Hand for A Moment, You Hold My Heart Forever!

Our deepest sympathies go out to the family and friends of Michael H. as we say goodbye to a sweet soul. He was a tall man with a big heart & personality to match. Only he knew what was behind that mischievous smile. Wherever he is, we know he is shirtless... or at least comfortably unbuttoned!

Anchors Aweigh... Until We Meet Once More, Here's Wishing You a Happy Voyage Home!

Our hearts go out to the family and friends of our dear kind-hearted Alvin M. as he goes on his final journey. He was a true gentleman and proud Navy man to the core. We will miss his Virginia accent and southern charm!
