Meet Our Staff

Meet Emily Doran

Emily grew up locally in Vacaville. Following her high school career, she went on to Sac State on a full ride scholarship playing Volleyball, her favorite sport. She graduated from Sac State with a degree in Family and Consumer Science. Family and friends are everything to her. She has been married for 13 years to the love of her life, Ryan, and they have two wonderful children, Connor and Rylee. A lover of all animals, at home, Emily cares for her farm of over 20 animals. She was also an Animal Control officer prior to working with Our Community. Emily has worked with Rockville since before the opening in 2016. She loves her job and being out in the community, as the Community Outreach Director. She is also Rockville Terrace's Assistant Administrator, being a huge support to the management team. Her favorite part of Rockville Terrace is how close our team and residents are. She feels that the sense of family is what makes Rockville Terrace truly special—and we are very lucky to have her!

To Our Dearest Monte

We are so sad to say goodbye to our very loved Memory Care Activities Director, Monte. You have been a light to so many and always brought the fun and laughter everywhere you went! We wish you the best in your future endeavors and we want you to know that everything you have done for our community has been greatly cherished. Please remember to visit and always know that you have a family here!

Springtime Garden Party!

At the end of April, the activities department will be hosting a Springtime Garden Party! It will be set up outside in the back courtyard (pending weather) where they will serve a variety of foods and your choice of a springtime cocktail! The event will be set up similarly to the wine tasting event that the residents had a few months ago, meaning space is limited so sign up while you can!

Jolene Barnett
Memory Care Activities Director

Hello, I would like to say thank you to the Rockville team for such a warm welcoming. I look forward to planning some exciting activities as their new Activity Director. I want to let the families know that we will be doing bus rides every Friday. I will be taking two groups, one at 10am and the other at 2pm. If you are planning to visit during those times on Fridays, please call the front desk and let them know that you will be visiting and the time you will be coming. I can put your loved one on an early bus ride or a later bus ride. Thank you!!
