Meet Edna

Edna was born north of Royal, Nebraska on July 11, 1934. Although a Nebraska native, she fell in love with Fairfield when she moved in 1961. As she grew up, her best friends were her two dogs. Her first dog was a birthday present which was given to her by her mom in a brown paper bag. Edna enjoyed playing the Baritone Sax and singing. She taught a rural elementary school one year before she and her sister enlisted in the Air Force. Edna attended Wayne State, the University of Illinois and Solano Community College.

After Air Force Basic Training in Texas and Air Weather School in Illinois, Edna was assigned to Offutt Weather Central and she met her co-worker, Fred. They were married in 1955. In 2019, the City of Fairfield renamed Chestnut Dr. to Fred Barnes Dr. in honor of Fred's volunteer hours for the city. (Continued...)

After marriage, Edna received an Honorable Discharge from the Air Force. She enjoyed "civilian" life and the arrival of her little baby, Ted. In addition to being a housewife and a mother, she had many occupations, one of them at the Veterans Service Department, Solano County, CA, where she retired as Director in 1993, having served for 26 years.

As Director of Veterans Services, she co-spearheaded the creation of the war memorials located in front of the old Solano County courthouse. Edna was active in Military Affairs and is a proud member for 41 years of the American Legion, Reams Post 182 of Suisun City. She holds the prestigious title of Service Officer emeritus, 5th District, Department of California.

Edna completed her bucket list by visiting all 50 US states. Due to health problems, she moved to Rockville Terrace Senior Living.
